Congress Spring

A Saline-Alkaline Water

*Cathartic and Alterative of High Medic-
 inal Virtues*

As a Cathartic—One pint or less, some thirty minutes before breakfast.

For Indigestion, Dyspepsia, Acid Stomach, Torpid Liver, and inactive condition of the Kidneys—One-third of a pint directly after each meal.

For Rheumatism, Malaria, Eczema, Scrofulous Taints, and all Diseases of the Blood—One-quarter of a pint each time, and from four to six times a day.

For Insomnia—One-half pint just before retiring acts as a *Sedative*, producing quiet sleep.

CONGRESS WATER—It's popular because it is healthful. It has long been noted for the desired results it brings, and for the clean after-tast it leaves on the palate, an infallible test of its purity.

STAMMERING

And other Affections of Speech where Drill in Articulation and the Technique of Speech are Indicated, Corrected.

As much of the speech apparatus is under control of the will, considerable may be done for those who suffer from speech defects, by a careful training of the respiratory, vocal and articulating organs, and in many cases an entire cure is guaranteed. This training is given under the direction of a physician with eighteen years' experience. The profession may rely upon having the best treatment known for those who apply to them. The circular, "How We Treat Stammering To-Day," giving outline, information and references from eminent men and pupils, sent to any address mentioned.

SCIATICA.

Senator John W. Mix, Yalesville, Conn., writes: "Sciatica had literally brought me to death's door. In less than 30 minutes after applying Oxydonor, circulation was re-established, and immediate relief and subsequent cure came." **DR. H. SANCHE & CO., 61 Fifth St.,** Detroit, Mich., New York, N. Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 84, 85, 86.)

Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 84, 85, 86.)

MEDICAL LAWS OF NORTH CAROLINA.

(From The Code.)

Section 3121. Medical Society of the State, a Body Politic—Private Laws, 1858-'9, c. 1, s. 1. The association of regularly graduated physicians, calling themselves "The State Medical Society," is hereby declared to be a body politic and corporate, to be known and distinguished by the name of "The Medical Society of the State of North Carolina."

Sec. 3122. Who May Practice. 1858-'9, c. 258, s. 2. No person shall practice medicine or surgery, nor any of the branches thereof, nor in any case prescribe for the cure of diseases for fee or reward, unless he shall have been first licensed so to do in the manner hereinafter provided.

Sec. 3123. Board of Physicians to Consist of Seven. 1858-'9, c. 258, ss. 3, 4. In order to have proper regulation of the practice of medicine and surgery, there shall be established a board of regularly graduated physicians, to be known by the title of "The Board of Medical Examiners of the State of North Carolina," which shall consist of seven regularly graduated physicians.

Sec. 3124. Duty of Board. 1858-'9, c. 258, s. 5. It shall be the duty of the said board to examine all applicants who shall exhibit a diploma, or furnish satisfactory proof of graduation from a medical college in good standing requiring an attendance of not less than three years and supplying such facilities for clinical instruction as shall meet the approval of the said board, for license to practice medicine or surgery, or any of the branches thereof, on the following branches of medical science: Anatomy, physiology, surgery, pathology, medical hygiene, chemistry, pharmacy, materia medica, therapeutics, obstetrics and the practice of medicine, and if, on such examination, they be found competent, to grant to each applicant a license or diploma, authorizing him to practice medicine and surgery, or any of the branches thereof: Provided, five members of the board shall constitute a quorum and four of those present shall be agreed as to the qualifications of the applicant: Provided, that the requirement of three years' attendance shall not apply to those graduating prior to January 1, 1900: Provided, further, that license or other satisfactory evidence of standing as a legal practitioner in another state shall be accepted in lieu of a diploma and entitle to examination.

Sec. 3125. Temporary License. 1858-'9, c. 258, s. 7. To prevent delay and inconvenience, the members of the board of medical examiners may grant a temporary license to any applicant who shall comply with the requirements as to graduation prescribed in section three thousand one hundred and twenty-four, as amended, and make report thereof to the next regular meeting of the board: Provided, such temporary license shall not continue in force longer than the next regular meeting of the board, and such temporary license shall in no case be granted after the applicant has been refused a license by the board of medical examiners.

Sec. 3126. How Appointed. 1858-'9, c. 258, s. 9. The Medical Society shall have power to appoint the board of medical examiners.

Sec. 3127. Where and When to Assemble. 1870-'1, c. —, s. 11. The board of medical examiners shall assemble at the same time and place when and where the Medical Society assembles, which society shall assemble at least once in every year at such time and place as the said society, at its next preceding meeting, shall have fixed; and the said board shall remain in session from day to day until all applicants who may present themselves for examination within the first five days after its meeting shall have been examined and disposed of: Provided, that the said board may, at its discretion, meet not more than one week before the said society, but always in the same place; and that one additional meeting in each year may be held at some suitable point in the state if deemed advisable.

Sec. 3128. Officers, Etc. 1858-'9, c. 258, s. 11. The board of medical examiners are authorized to elect all such officers and to frame all such by-laws as may be necessary, and in the event of any vacancy by death, resignation or otherwise, of any member of the said board, the board, or a quorum thereof, is empowered to fill such vacancy.

Sec. 3129. The Board of Examiners to Keep a Record. 1858-'9, c. 258, s. 12. The board of examiners shall keep a regular record of its proceedings in a book kept for that purpose, which shall always be open for inspection, and shall cause to be entered on a book kept for the purpose the name of each applicant licensed to practice medicine and surgery, and the time of granting the same, together with the names of the members of the board present, and shall publish the names of those licensed in two of the newspapers published in the city of Raleigh, within thirty days after the granting of the same.

Sec. 3130. License. 1858-'9, c. 258, s. 13. The board shall have power to demand of every applicant thus licensed the sum of ten dollars before issuing a license or diploma, and the sum of five dollars for each temporary license, to be paid to the secretary of the board.

Sec. 3131. The Board; Their Compensation. 1870-'1, c. —, s. 14. The members of the said board shall each receive as a compensation for their services four dollars per day during the time of their session, and in addition thereto their traveling expenses to and from their places of meeting by the most direct route from their respective places of residence, to be paid by the secretary of the board out of any moneys in his hands, upon the certificate of the president of the board of medical examiners.

Sec. 3132. Practicing Without License. 1858-'9, c. 258, s. 15; 1885, c. 117 and 261. Any person who shall practice medicine or surgery without having first applied for and obtained license from the said board of examiners, shall not be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery or any of the branches thereof. And any person who shall begin the practice of medicine or surgery in this state for fee or reward, after the passage of this act (March 7, 1885), without first having obtained license from said board of examiners, shall not only not be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery, or any of the branches thereof, but shall also be guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than twenty-five dollars nor more than one hundred dollars, or imprisoned at the discretion of the court, for each and every offense: Provided, that this act shall not be construed to apply to women who pursue the vocation of a midwife: And provided, further, that this act shall not apply to any reputable physician or surgeon resident in a neighboring state or coming into this state for consultation with a registered physician resident therein. But this proviso shall not apply to physicians resident in a neighboring state regularly practicing in this state: Provided, that this section shall not apply to physicians who have a diploma from a regular medical college, and were practicing medicine or surgery in this state prior to the 7th day of March, 1885.

Sec. 3133. May Rescind License. 1858-'9, c. 258, s. 16. The said board shall have the power to rescind any license granted by them, when, upon satisfactory proof, it shall appear that any physician thus licensed has been guilty of grossly immoral conduct.

Sec. 3134. Secretary. 1858-'9, c. 258, s. 17. The secretary of the board of medical examiners shall give bond, with good security, to the president of the board, for the safe-keeping and proper payment of all moneys that may come into his hands.

Registration. 1889, c. 181, ss. 3 (in part), 4, 5, 6, 7:

Sec. 3. That chapter thirty-four of The Code be amended by striking from section three thousand one hundred and twenty-five the words "for confirmation," and by adding immediately after section three thousand one hundred and thirty-four the following words: "Any person who shall begin the practice of medicine or surgery in this state after the passage of this act shall personally appear before the clerk of the Superior Court of the county in which he resides or practices within thirty days after obtaining a license from the board of medical examiners of the state, as now provided by law for registration."

Sec. 4. That any person applying for registration as herein provided shall produce and exhibit before the clerk of the Superior Court a license obtained from the board of medical examiners aforesaid; and upon such exhibit being made as aforesaid, the clerk shall register the date of registration, with the name and residence of such applicant, in a book to be kept for this purpose in his office, marked "Register of Physicians and Surgeons," and shall issue to him a certificate of such registration, under the seal of the Superior Court of the county, upon the form furnished him, as hereinafter provided, for which the clerk shall be entitled to collect from said applicant a fee of twenty-five cents. The person obtaining said certificate shall be entitled to practice medicine or surgery, or both, in the county where the same was obtained, and in any other county in this state; but if he shall remove his residence to another county he shall exhibit the said certificate to the clerk of such other county and be registered, which registration shall be made by said clerk without fee or charge: Provided, that any one having obtained a temporary license, as provided in section three thousand one hundred and twenty-five of The Code, shall not be entitled to register, but may practice during the time such license shall remain in force.

Sec. 5. That any person who shall practice medicine or surgery in this State without first having registered and obtained the certificate as aforesaid, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than twenty-five dollars nor more than one hundred dollars, or be imprisoned at the discretion of the court, for each and every offense: Provided, this act shall not apply to women pursuing the vocation of midwife, nor to reputable physicians or surgeons resident in a neighboring State coming into the State for consultation with a registered physician of this State.

Sec. 6. That any clerk of the Superior Court who shall register or issue a certificate to any person in any other manner than that prescribed by this act shall be guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than two hundred dollars and shall be removed from office.

Sec. 7. That it shall be the duty of the Medical Society of the State of North Carolina to prescribe a proper form of certificate required by this act.

NORTH DAKOTA.

CAPITAL, BISMARCK.

Population of State, 182,719.

(Census of 1890.)

Males	101,590	Native	101,258
Females	81,129	Foreign	81,461
White	182,123	Chinese	29
Colored	373	Indians	194

Number of Physicians, 282.

North Dakota was admitted to the Union November 3, 1889. It extends from 46 degrees to 49 degrees north latitude, and from 96 degrees 22 minutes 30 seconds to 104 degrees west longitude, and is bounded on the north by the British possessions, on the west by Montana, on the east by Minnesota, and on the south by South Dakota. It is 212 miles in length, and has an average breadth of 340 miles, and comprises an area of 70,795 square miles, or 45,308,800 acres. The temperature varies during the year from 49 degrees below zero to 107 Fahrenheit. The winters are cold, and much snow falls. The average rainfall is about 18 inches, and occurs at the best time for agriculture. The atmosphere is clear and dry, and owing to the elevation malarial diseases are nearly unknown, whilst pulmonary complaints are comparatively rare. There is an earlier spring than in Eastern States in same latitude.

Rate of mortality in North Dakota as computed from U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
182,719	1,716	9.39	1,712	4	9.40	6.71

Total number of deaths from consumption during 1890 was 167, which was at the rate of .91 per 1,000 of population, or 97.32 per 1,000 of total deaths.

MEDICAL LAWS OF NORTH DAKOTA.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE IN THE STATE OF NORTH DAKOTA.

Be it Enacted by the Legislative Assembly of North Dakota:

Section 1. The governor of this State shall appoint a board of examiners to be known as the State Board of Medical Examiners, consisting of nine members, of whom eight shall be practicing physicians in good standing, who shall hold their office for three years after such appointment and until their successors are appointed; provided that the mem-

bers thereof first appointed under this act shall be divided into three classes, each class to consist of three. The first class shall hold office under such appointment for the period of one year; the second class for two years, and the third class for three years from the date of their respective appointment. It is further provided that no member thereof shall be appointed to serve for more than two terms in succession, and no member of any college or university having a medical department shall be appointed to serve as members of said board. Two members of said board shall be homeopathic physicians and one a lawyer.

Sec. 2. Said board of medical examiners shall elect a president, secretary and treasurer, and shall have a common seal. The president and secretary shall have the power to administer oaths. Said board of medical examiners shall hold meetings for examinations at such places as the board may designate, on the first Tuesday of January, April, July and October of each year, and such other meetings as said board may from time to time appoint. Said board shall keep a record of all the proceedings thereof, and also a record of register of applicants for a license, together with his or her age, time spent in the study of medicine, and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine or surgery. Such register shall also show whether such applicant was rejected or licensed under this act. Said books and register shall be prima facie evidence of all matters therein recorded.

Sec. 3. All persons hereafter commencing the practice of medicine, surgery and obstetrics in any of its branches in this State shall apply to said board for a license so to do, and such applicant at the time and place designated by said board shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, histology, materia medica, therapeutics, preventive medicine, practice of medicine, surgery, obstetrics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence and such other branches as the board shall deem advisable, and present evidence of having attended three courses of lectures of at least six months each; said board shall cause such examination to be both practical and scientific, but of sufficient severity to test the candidate's fitness to practice medicine, surgery and obstetrics. When desired, such examination may be conducted in the presence of the dean of any medical school or the president of any medical society of the State. After examination, said board shall grant a license to such applicant to practice medicine, surgery and obstetrics in the State of North Dakota, which said license can only be granted by consent of not less than seven members of said board, and which said license shall be signed by the president and secretary of said board and attested by the seal thereof. The fee of such examination shall be the sum of twenty dollars, and shall be paid by the applicant to the treasurer of said board, to be applied by the said board toward paying the expenses thereof. And such board may revoke or refuse a license for unprofessional, dishonorable or immoral conduct, for chronic or persistent inebriety, the practice of criminal abortion or for publicly advertising special ability to treat or cure diseases which, in the opinion of said board, it is impossible to cure. In complaints for violating the provisions of this section, the accused person shall be furnished with a copy of the complaint and given a hearing before said board in person or by attorney. In all cases of refusal or revocation the applicant may appeal to the appointing power of said board.

Sec. 4. The person so receiving said license shall file the same or a certified copy thereof with the register of deeds where he or she resides, and said register of deeds shall file the said certificate or copy thereof, and enter a memorandum thereof, giving date of said license and name of person to whom same was issued, and the date of such filing, in a book to be provided and kept for that purpose, and a list of all certificates on file in his office, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said register of deeds shall enter at the appropriate places in the records so kept by him a memorandum of said fact; so that the records so kept by the said register of deeds shall correspond with the records of the said board as kept by the secretary thereof. In case a person so licensed shall move into another county of this State, he or she shall procure from the register of deeds a certified copy of said license, and file the same with the register of deeds in the county in which he or she shall remove. Said register of deeds shall file and enter the same with like effect as if the same was the original license.

Sec. 5. This act shall not apply to commissioned surgeons of the United States army or navy, to physicians or surgeons in actual consultation from other States or Territories, or to actual medical students practicing medicine under the direct supervision of a preceptor.

Sec. 6. Any person practicing medicine, surgery or obstetrics in this State without first having obtained the license herein provided for, or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and, upon conviction thereof in any court of competent jurisdiction, shall be fined not less than fifty nor more than two hundred dollars, or by imprisonment in the county jail not less than ten days nor more than sixty days, or both fine and imprisonment. Any person shall be regarded as practicing within the measures of this act who shall append the letters "M. D." or "M. B." to his or her name, or for a fee prescribe, direct or recommend for the use of any person, any drug or medicine, or other agency for the treatment, care or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, this act shall not apply to dentists. It shall be the duty of the respective State's attorney to prosecute violations of this act.

Sec. 7. All acts and parts of acts heretofore passed inconsistent with the provisions of this act are hereby repealed.

(Census of 1890.)

Males	1,855,736	Native	3,213,023
Females	1,816,580	Foreign	459,293
White	3,584,805	Chinese	203
Colored	87,113	Indians	193

Number of Physicians, 8,507.

The State of Ohio comprises an area of 39,964 square miles, or 25,576,960 acres, and extends from 38 degrees 25 minutes to 42 degrees north latitude, and from 80 degrees 28 minutes to 84 degrees 42 minutes west longitude. It is bounded on the north by Michigan and Lake Erie, on the south and southeast by the Ohio river, which separates it from Kentucky and West Virginia, on the east by Pennsylvania, and on the west by Indiana. The climate is mild and salubrious, the mean annual temperature varying from 49.99 degrees at Cleveland to 54.72 degrees at Cincinnati. The average annual rainfall is about 41 inches, being the greatest along the Valley of the Ohio.

The following table shows the increase in population during 70 years:

MEDICAL LAWS OF OHIO.

Section 1. Be it enacted by the General Assembly of the State of Ohio, That Section 4403 Revised Statutes of Ohio, be amended so as to read as follows:

Sec. 4403. Within 30 days after the passage of this act, the governor, and by and with the advice and consent of the senate, shall appoint a state board of medical registration and examination, consisting of seven members, one to serve for one year, one for two years, one for three years, one for four years, one for five years, one for six years and one for seven years, and the successors of each for the term of seven years, who shall be physicians in good standing in their profession, representation to be given to schools of practice in the state as nearly as possible in proportion to their numerical strength in the state, but no one school to have a majority of the whole board. The board shall organize by electing a president and a treasurer, who shall be members of the board, and a secretary, who shall be a physician in good standing in his profession, each to serve for the term of one year. The treasurer shall give a bond in the sum of ten thousand dollars, with sureties approved by the board, for the faithful discharge of his duties. The secretary shall receive a salary of not exceeding fifteen hundred dollars per annum, to be fixed by the board, and his necessary expenses in performing his official duties. The members of the board shall each receive ten dollars per day for the time actually employed in the discharge of their duties and their necessary expenses while engaged therein. The board shall have a common seal, and shall formulate rules to govern its action. Its president and secretary shall have the power to administer oaths. The board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times as the board may appoint. Five members shall constitute a quorum. The board shall keep a record of all its proceedings, and a register of all applicants for certificates, giving the name and location of the institution granting the applicant the degree of doctor of medicine or surgery, and also whether the applicant was rejected or a certificate granted. The books and register of the board shall be prima facie evidence of all matters recorded therein.

It will be noticed that Section 4403a and Section 4403b enacted February 15, 1881 (78 O. L. 27), were not amended or repealed by this act, and they are inserted here to give the complete law as it stands in Ohio at the present date.

Sec. 4403a. Whoever shall make, issue, or publish, for the purpose of sale, barter, or gift, any certificate, diploma, or other writing or document falsely representing the holder or receiver thereof to be a graduate of any medical school, or college, or of any

educational institution of medicine whatsoever, and entitled to the powers, privileges, degrees thereby pretended to be conferred; or whoever shall sell, or otherwise dispose, or offer to do so, any such diploma, certificate, writing, or document containing the false representation aforesaid; or whoever shall use his name, or permit the same to be used as a subscriber, for any purpose or in any capacity, to such false and fictitious diploma, certificate, writing, or document aforesaid, upon conviction thereof, shall be subject to the penalty prescribed in section four thousand four hundred and three (b).

Sec. 4403b. Whoever shall make, issue, or publish, or cause to be made, issued, published, for the purpose of sale, barter, or gift, any diploma certificate or writing representing the holder thereof to be a graduate of any medical school, or college, or any educational institution of medicine whatsoever, unless such holder shall have, in fact, attended a complete course of instruction in such school, college, or institution for medical teaching, which course shall be equal to the average course of instructions in other schools, colleges, or institutions, where the various branches of medicine are taught as a science, in good standing in the State of Ohio, upon conviction thereof, shall be fined in any sum not exceeding one thousand dollars, nor less than one hundred dollar or imprisoned in the penitentiary not more than three years, nor less than one year, both, at the discretion of the court.

Section 1. That section 4403c, enacted by section 2 of an act entitled "An act to regulate the practice of medicine in the State of Ohio," passed February 27, 1896, be amended so as to read as follows:

Sec. 4403c. No person shall practice medicine, surgery or midwifery in any of the branches in the State of Ohio, without first complying with the requirements of this act. All persons authorized and entitled prior to July 1, 1900, to practice medicine, surgery or midwifery, in the State of Ohio, under and by virtue of the provisions of an act entitled, "An act to regulate the practice of medicine in the State of Ohio," passed February 27, 1896, to which this act is amendatory, may engage in such practice, and shall be subject to the law regulating the same; all other persons desiring to engage in such practice in this state, shall apply to the state board of medical registration and examination for certificate, and submit to the examination hereinafter provided, except that all medical students who were on January 1, 1900, matriculated in any medical college in the State of Ohio, recognized by the state board of medical registration and examination of Ohio, and who shall have graduated subsequent to January 1, 1900, and who shall file their diploma for registration prior to July 1, 1904, shall receive certificates under the provisions of this act of February 27, 1896, to which this act is amendatory. The applicant shall file with the secretary of the board a written application on a form prescribed by the board, verified by oath, and furnish satisfactory proof that he is more than twenty-one years of age, and is of good moral character. In the application, as a condition of admission to the examination, he shall produce either of the following credentials: a diploma from a reputable college granting the degree A. B., B. S., or equivalent degree; a diploma from a normal school, high school or seminary, legally constituted, issued after four years of study; a teacher's permanent or life certificate; a medical student's certificate issued upon examination by any state board; a student's certificate of examination for admission to the freshman class of a reputable literary or scientific college; a certificate of his having passed an examination conducted under the direction of the state board of medical registration and examination by certified examiners, none of whom shall be either directly or indirectly connected with a medical college; said examination to be held simultaneously in Cincinnati, Cleveland, Columbus and Toledo, and the questions submitted to be uniform at such places; and has either received a diploma from some legally chartered medical institution in the United States in good standing at the time of issuing such diploma, as defined by the board; or a diploma or license approved by the board, which has conferred the full right to practice all branches of medicine, surgery in some foreign country. With the application, the applicant shall present a diploma or license, as above defined, and accompanying the same, shall file his affidavit duly attested, stating that he is the person named in the diploma or license, and is the lawful possessor of the same, and giving his age, residence, the college or colleges which he obtained his medical education, the time spent in each college, the time spent in the study of medicine, and such other facts as the board may require; if engaged in the practice of medicine, the applicant shall state the period during which, and the place at which, he has been engaged in the practice of medicine or surgery. If the board shall find that the applicant has obtained any one of the credentials heretofore defined, as a condition of his admission to the examination, and shall find his diploma to be genuine and from a legally chartered medical institution in the United States in good standing, determined by the board, or shall find the license to be genuine, and such as to confer upon the applicant the full right to practice all branches of medicine or surgery in the foreign country in which he obtained it, and of a standard approved by the board; and shall find the person named in the diploma or license is the person holding and presenting the same, and is of good moral character, the board shall admit such applicant to an examination. All examinations shall be conducted under the rules formulated by the board. Each applicant shall be examined in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, surgery, obstetrics, and such other subjects as the board may require. The applicant shall be examined in the materia medica and therapeutics and the principles and practice of medicine,

the school of medicine in which he desires to practice, by the member or members of the board representing such school. If an applicant passes an examination satisfactory to the board, and has paid the fee as hereinafter provided, it shall issue its certificate to that effect, signed by its president and secretary, and attested by its seal, which, when left with the probate judge for record, as hereinafter required, shall be conclusive evidence that its owner is entitled to practice medicine or surgery in this state. The board may refuse to grant a certificate to any person guilty of fraud in passing the examination, or guilty at any time of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery; and may, after notice and hearing, revoke a certificate for like cause or causes. An appeal may be taken from the action of the board, refusing to grant or revoking a certificate, for such causes, to the governor and attorney-general, and the decision of these officers, either affirming or overruling the action of the state board, shall be final. An affirmative vote of not less than five members shall be required to authorize the issuance of a certificate. The fee for an examination shall be twenty-five dollars, which shall not be returned in case of a failure to pass such examination; but the applicant may, within a year after such failure, present himself and be examined again without the payment of an additional fee. All fees shall be paid in advance to the treasurer of the board, and by him covered into the state treasury, to the credit of a fund which is hereby appropriated for the use of the state board of medical registration and examination. The compensation and expenses of members and officers of the board, and all expenses proper and necessary, in the opinion of the board, to discharge its duties and enforce the law, shall be paid out of said fund, upon warrant of the auditor of state, issued upon requisition signed by the president and secretary of the board. Provided, that nothing contained in this section shall be construed to compel any person holding or obtaining, prior to July 1, 1900, a certificate from the board, under the act to which this act is amendatory, entitling such person to practice medicine or surgery in this state, or any medical student who was matriculated on January 1, 1900, in any medical college in the state of Ohio, recognized by the state board of medical registration and examination of Ohio, and who shall have graduated subsequent to January 1, 1900, and who shall have filed his or her diploma for registration prior to July 1, 1904, to file an application and submit to the examination herein required. Provided, further, that the board may, in its discretion, dispense with an examination, in the case of a physician or surgeon duly authorized to practice medicine or surgery in any other state, territory or the District of Columbia, who may desire to change his residence to Ohio, and who makes application on a form to be prescribed by the board, accompanied by a fee of fifty dollars, and presents a certificate or license issued after an examination by the medical board of such state, territory or the District of Columbia, accorded only to applicants from states, territories and districts whose laws demand qualifications of equal grade with those required in Ohio; but such examination shall not be dispensed with unless under the law and regulations of the state, territory or the District of Columbia equal rights and privileges are accorded to physicians and surgeons of Ohio, holding the certificate of the board, who may desire to remove to and practice in such state, territory or the District of Columbia.

Sec. 4403d. The person receiving a certificate to practice medicine or surgery under section 4403c shall, before entering upon the practice, leave his certificate with the probate judge of the county in which he resides, for record. The probate judge shall record the same in a book to be kept for that purpose, and endorse on the margin of the record and on the certificate the time he received the same for record, and make a proper index to all certificates by him recorded. The probate judge shall note in the margin of the record the revocation of a certificate, or any change in the location or death of the owner of a certificate. Upon application the probate judge shall make out a certified copy of any such certificate and the endorsements thereon, and such certified copy shall be prima facie evidence of all matters and facts therein contained. Between the first and thirty-first days of December in each year, the probate judge shall furnish the secretary of the state board a list of all certificates recorded and in force, and also a list of all certificates which have been revoked, or the owners of which have removed from the county or died during the preceding year.

In case of a change of residence, the owner of a certificate shall have the same recorded anew by the probate judge of the county into which he removes. For services under this section the probate judge shall receive the following fees: For recording and indexing each certificate, fifty cents, and for certified copies, the same fees as are allowed by law for copies and certificates or records kept by the probate judge, to be paid by the holder of the certificate.

Sec. 4403e. Every person practicing midwifery in this state at the time of the passage of this act shall, within ninety days thereafter, file with the probate judge of the county in which she resides an affidavit, duly attested, giving her name, age, residence, the length of time during which and the place or places at which she has been engaged in said practice, and the special education, if any, which she has received to fit her for such practice. Thereupon, upon payment of a fee of five dollars (fifty cents of which the probate judge shall retain as his own fee, and the balance remit to the treasurer of the state board of registration and examination), the probate judge shall issue a certificate, upon a blank form furnished by the state board, which shall entitle the applicant and holder to practice midwifery in this state. Such certificate shall be recorded by the probate judge, and in case of a transfer of residence, again recorded in the county to which the midwife removes, as provided by section 4403d, regulating the record of physicians' certificates. The probate judge shall, annually, between the first and thirty-first

days of December, furnish the secretary of the state board a list of all such certificates issued and in force, and also a list of all such certificates which have been revoked, the owners of which have removed from the county or died during the preceding year. All persons desiring, after the passage of this act, to enter upon the practice of midwifery in this state, shall appear before the state board and submit to such examination in midwifery as the board shall require. If the applicant passes a satisfactory examination, the board shall, upon the payment of a fee of ten dollars, issue its certificate to that effect, which, when filed with the probate judge for record, as provided in section 4403, shall entitle the owner and holder thereof to practice midwifery in this state. A certificate to practice midwifery may be refused or revoked for the same cause in the same manner as provided in section 4403c in the case of certificates to physicians and surgeons. The certificate granted to practice midwifery shall not give the holder the right to perform version, or treat breech or face presentation, or do any obstetric operation requiring instruments, or treat any other abnormal condition except in emergencies.

Section 2. That section 4403f, enacted by section 2 of an act entitled "An act to regulate the practice of medicine in the state of Ohio," passed February 27, 1896, be amended so as to read as follows:

Sec. 4403f. Any person shall be regarded as practicing medicine or surgery or midwifery, within the meaning of this act, who shall use the words or letters, "Dr.," "Doctor," "Professor," "M. D.," "M. B.," or any other title, in connection with his name, which in any way represents him as engaged in the practice of medicine or surgery or midwifery, in any of its branches, or who shall prescribe, or who shall recommend for fee for like use any drug or medicine, appliance, application, operation or treatment, of whatever nature, for the cure or relief of any wound, fracture or bodily injury, infirmity or disease. The use of any of the above mentioned words or letters, or titles in such connection, and under such circumstances as to induce the belief that the person who uses them is engaged in the practice of medicine or surgery or midwifery in any of its branches, shall be deemed and accepted as prima facie proof of an intent on the part of such person to represent himself as engaged in the practice of medicine or surgery or midwifery; provided, however, that nothing in this act shall be construed to prohibit service in the case of emergency, or the domestic administration of family remedies; and this act shall not apply to any commissioned medical officer of the United States army, navy or marine hospital service, in the discharge of his professional duties, nor to any legally qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician or surgeon from another state or territory who is a legal practitioner of medicine or surgery in the state or territory in which he resides, when in actual consultation with a legal practitioner of this state, nor to any physician or surgeon residing on the border of a neighboring state, and duly authorized under the laws thereof to practice medicine or surgery therein, whose practice extends into the limits of this state; providing that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this state. Nor to any osteopath who holds a diploma from a legally chartered and regularly conducted school of osteopathy in good standing as such, wherein the course of instruction requires at least four terms of five months each in four separate years. Providing that the said osteopath shall pass an examination satisfactory to the state board of medical registration and examination in the following subjects: Anatomy, physiology, chemistry, physical diagnosis. Providing that said osteopath shall not be granted the privilege of administering drugs nor performing major or operative surgery.

Section 3. Section 4403c and section 4403f are hereby repealed, such repeal to take effect July 1, 1900, and this act shall take effect and be in force from and after July 1900.

Sec. 4403g. Any person practicing medicine or surgery as defined in section 4403f in this state, without having first complied with the provisions of sections 4403c and 4403e except as herein provided, shall be deemed guilty of a misdemeanor, and shall be fined not less than twenty dollars nor more than five hundred dollars, or be imprisoned in the county jail not less than thirty days nor more than one year, or both. Any person practicing midwifery in this state without having complied with the provisions of section 4403e, except therein provided, shall be deemed guilty of a misdemeanor, and fined not less than twenty-five dollars nor more than one hundred dollars. Any person who shall file, or attempt to file, as his the medical diploma or certificate to practice of another or shall file, or attempt to file, a false forged affidavit of his identity, or shall wilfully swear falsely to any question which may be propounded to him on his medical examination, or to any affidavit required to be made or filed by him, with the state board of medical registration and examination, shall be guilty of felony, and be imprisoned in the penitentiary not more than five years, not less than one year. Such fines, when collected, shall be paid one-third to the person, corporation or medical society making the complaint or furnishing the information, one-third to the poor fund of the county, and one-third to the state board of medical registration and examination. The secretary of the state board of medical registration and examination is charged with the duty of enforcing this act. If he have knowledge or notice that the act has been or is being violated, he shall investigate the matter, and, upon probable cause appearing, shall file a complaint and prosecute the offender. It shall be the duty of the prosecuting attorney, when requested by such secretary, to take charge of and conduct such prosecutions.

Section 3. Original sections 4403 and 6992 are hereby repealed, and this act shall take effect and be in force from and after its passage.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

1 HUNDRED THOUSAND COPIES.....

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 84, 85, 86.)

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

1 HUNDRED THOUSAND COPIES.....

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 84, 85, 86.)

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

POLK'S MEDICAL

Oklahoma

The Territory was organized by Congress (approved May 2, 1890), is bounded on the north by Kansas and Colorado, on the south by Texas and Indian Territory, on the east by Missouri and on the west by New Mexico, and comprises an area (including the Cherokee country and No Man's Land) of 39,030 square miles, or 24,979,200 acres. The Arkansas and Canadian rivers, with their tributaries, drain the Territory. The climate is warm and dry, the western being the colder portion; the mean average temperature is 58 degrees. The mean annual rainfall is 31.2 inches.

Rate of mortality in Oklahoma, as computed from the U. S. census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
61,834	352	5.69	332	20	5.64	6.06

Total number of deaths from consumption during 1890 was 21, which was at the rate of .34 per 1,000 of population, or 59.66 per 1,000 of total deaths.

TERRITORIAL BOARD OF HEALTH.

Hon. S. M. Hopkins, President, Guthrie; F. B. Hamilton, M. D., Vice-President, Shawnee; L. Haynes Buxton, M. D., Secretary and Superintendent of Public Health, Oklahoma.

BOARD OF MEDICAL EXAMINERS.

L. Haynes Buxton, ex-officio President, Oklahoma; W. S. Hamilton, Vice-President, Norman; U. L. Russell, Secretary and Treasurer, Oklahoma.

SANITARIUMS.

Oklahoma—Oklahoma Sanitarium, Robinson cor. 7th. Established 1899. Number of beds, 200. Physician-in-charge, Thomas J. Allen.

MEDICAL SOCIETIES.

Central Oklahoma Medical Society—Secretary, E. D. Easter, Pond Creek.
Oklahoma Territorial Medical Association—Next annual meeting, May, 1900, at Oklahoma. President, C. B. Bradford, Oklahoma; Vice-President, C. W. Fisk, Kingfisher; Secretary and Treasurer, B. F. Harriman, Chandler.
Ponca City Medical Society—Secretary, J. H. Cock

MEDICAL LAW OF OKLAHOMA TERRITORY.

No person shall be permitted to practice medicine, in any of its departments, in this Territory, unless he be a graduate of a medical college, or unless upon examination before a board composed of the superintendent of public health, and two other physicians to be selected by the Territorial board of health, such person shall be found proficient in the practice of medicine and surgery, and shall be found upon proof to be actually engaged in the practice of medicine for a term of not less than five years, and no person shall practice medicine unless he be of good moral character and is not an habitual drunkard. Any person possessing the qualifications mentioned in this section shall, upon presentation of his diploma, or proof thereof by affidavit, if the same is lost or destroyed, and upon the affidavit of two reputable citizens from the county where he resides that such applicant possesses the qualifications of a physician, as prescribed herein, to the superintendent of public health, together with a fee of two dollars, receive from such superintendent of public health, a license certifying the applicant to be a practicing physician and having the qualifications for such, as prescribed in this section, which license shall be recorded in the office of the register of deeds in the county where such practicing physician resides. Any person who practices medicine or attempts to practice medicine without complying with the provisions of this section, shall be deemed guilty of a misdemeanor, and any person shall be regarded as practicing medicine within the meaning of this section who shall profess publicly to be a physician and to prescribe for the sick, or who appends to his name M. D., but nothing in this section shall be construed to prohibit students from prescribing under the supervision of preceptors, or to prohibit gratuitous services in case of emergency, nor shall this section apply to commissioned surgeons in the United States army and navy. Any

person violating any provisions of this act, or who shall prevent or attempt to prevent the several officers of the public health, or persons employed by them, from performing any of the duties prescribed in this act to be performed by any such officers, or any practicing physician who shall fail to report to the county superintendent of health the existence of any contagious or infectious disease, and any person who shall willfully conceal any case of contagious or infectious disease, either among persons or animals, shall be deemed guilty of a misdemeanor. The district court shall upon complaint of any member of the Territorial board of health or of the county board of health where he resides, have power to cancel any license that may be issued to any person to practice medicine where such license was fraudulently obtained, or where the person to whom such license was issued has been guilty of violating any provisions of this act.

SCIATICA.

Senator John W. Mix, Yalesville, Conn., writes: "Sciatica had literally brought me to death's door. In less than 30 minutes after applying Oxydonor, circulation was re-established, and immediate relief and subsequent cure came." **DR. H. SANCHE & CO., 61 Fifth St.,** Detroit, Mich., New York, N. The State of Oregon extends from 42 degrees to 46 degrees 18 minutes north latitude, and from 116 degrees 40 minutes to 124 degrees 25 minutes west longitude, and is bounded on the north by Washington, from which it is partly separated by the Columbia river, on the south by California and Nevada, on the east by Idaho, and on the west by the Pacific Ocean. It comprises an area of 95,274 square miles, or 60,975,360 acres, and is divided unequally by the Cascade Mountains.

The climate is mild, equable and salubrious, the mean annual temperature ranging from 44 degrees near the Cascade Mountains to 50 degrees in the vicinity of the ocean. The average annual rainfall increases from 44 inches in the mountains to 60 near the sea coast.

The following table shows increase in population from 1850 to 1890:

1850	13,294	1880	174,789
1860	52,465	1890	313,767
1870	90,923		

Rate of mortality in Oregon, as computed from U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
313,767	2,575	8.21	2,537	38	8.41	3.16

Total number of deaths from consumption during 1890 was 305, which was a the rate of .97 per 1,000 population, or 118.45 per 1,000 of total deaths.

MEDICAL LAWS OF OREGON.

AN ACT to Regulate the Practice of Medicine and Surgery in the State of Oregon, as to License Physicians and Surgeons; to Punish All Persons Violating the Provisions of this Act, and to Repeal all Laws in Conflict Therewith, and Declaring an Emergency.

Be it enacted by the Legislative Assembly of the State of Oregon:

Section 1. The Governor shall appoint five persons from among the most competent physicians of the State, all of whom shall have been residents of the State for seven years and of at least five years' practical experience in their profession, who shall be known as the Board of Examiners for the State of Oregon. Three of the board shall be regulars, one eclectic and one homœopathist, one of whom shall hold his office for five years, one for four years, and one for three years and one for two years and one for one year, and each until his successor shall be appointed and qualified, and each year thereafter another commissioner shall be appointed for five years, and until a successor shall be appointed and qualified. If a vacancy occur in said board, another shall be appointed as aforesaid to fill the unexpired term thereof.

Sec. 2. The members of said Medical Examining Board shall, before entering upon their duties as such members, take and subscribe an oath to support the constitution and laws of the State of Oregon and of the United States, and to well and faithfully and without partiality perform the duties of such office according to the best of their knowledge and ability; which oaths shall be filed and preserved of record in the office of the secretary of said board. Said Medical Examining Board shall elect a president, secretary and treasurer, and shall have a common seal. The president and secretary shall have the power to administer oaths. Said Medical Examining Board shall hold meetings for examination on the first Tuesday of January and July of each year. Said meetings shall be held at Portland, Oregon; and provided, that the board may call special meetings when in the opinion of a majority of said board such special meetings are necessary. Said board shall keep a record of all the proceedings thereof, and also a record register of all applicants for a license, together with his or her age, the time such applicants shall have spent in the study and practice of medicine and surgery, if they shall have so practiced at all, and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine or surgery. Said record or register shall also show whether such applicant was rejected or licensed under this act. Said books and register shall be prima facie evidence of all matters therein recorded.

Sec. 3. Every person, except as hereinafter provided, desiring to practice medicine or surgery, or either of them, in any of their or its branches in this State, shall make written application to said board for a license so to do, which application shall be supported and accompanied by an affidavit of such application (applicant), setting forth the actual time spent by the applicant in the study of medicine and surgery, and whether such study was in an institution of learning, and if so, the name and location thereof, and if not in such (an) institution, where and under whose tutorship such study was prosecuted, the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them, and where the applicant was located during the time of such practice, and the age of the applicant at the time of making application; such application and affidavit to be filed and preserved of record in the office of the secretary of said board. Such applicant, at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women, medical jurisprudence and such other branches as the board shall deem advisable. Said board shall cause such examination to be both scientific and practical and of sufficient severity to test the candidate's fitness to practice medicine and surgery, which examination shall be

written, or printed, or partly written or partly printed, questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said board. After examination, if the same is satisfactory, said board shall grant a license to such applicant to practice medicine and surgery in the State of Oregon, which said license can only be granted by the consent of not less than four (4) members of said board, except as hereinafter provided, in (and) which said license shall be signed by the president and secretary of said board, and attested by the seal thereof. The fee for such examination shall be ten (10) dollars and shall be paid by the applicant to the treasurer of said board toward paying the expenses thereof; and such board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided; provided, that all persons who have been regularly licensed under heretofore existing laws of this State, and have complied with the provisions thereof, shall be taken and considered as licensed physicians under this act, and the secretary of the board herein provided for shall enter the names of such persons upon the register kept by him, as licensed physicians and surgeons, upon the written application of such person, accompanied with such license heretofore regularly issued.

Sec. 4. The words "unprofessional" or "dishonorable conduct," as used in section three (3) of this act, are hereby declared to mean:

First, the procuring or aiding or abetting in procuring a criminal abortion.

Second, the employing of what are popularly known as "cappers" or "steerers."

Third, the obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.

Fourth, the wilfully betraying of a professional secret.

Fifth, all advertising of medical business in which untruthful and improbable statements are made.

Sixth, all advertising of any medicines, or of any means whereby the monthly periods of women can be regulated, or menses re-established if suppressed.

Seventh, conviction of any offense involving moral turpitude.

Eighth, habitual intemperance.

Sec. 5. In any case of the refusal or revocation of a license by said board under the provisions of this act, said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of said board in writing, shall remain of record in said office. Before a license can be revoked by said board for unprofessional or dishonorable conduct under the provisions of this act, a complaint of some person under oath must be filed in the office of the secretary of said board, charging the acts of unprofessional or dishonorable conduct and facts complained of against the licentiate accused, in ordinary and concise language; and thereupon said board shall cause to be served upon such accused licentiate a written notice and copy of such complaint, which said notice shall contain a statement of the time and place of hearing of the matters and things set forth and charged in such complaint; and said notice shall be served at least ten days prior to the time of such hearing. Such accused licentiate may appear at such hearing and defend against the accusations of such complaint, personally and by counsel, and may have the sworn testimony of witnesses taken and present other evidence in his behalf at such hearing, and said board may receive the arguments of counsel at such hearing.

Sec. 6. In any case of the refusal or revocation of a license by said board under the provisions of this act, the applicant whose application shall be so refused, and the licentiate whose license shall be revoked by said board, shall have the right to appeal from the decision so refusing or revoking such license within thirty days after the filing of such decision in the office of the secretary of said board as hereinbefore in this act provided. Such appeal shall be to the Circuit Court in and for the county in which was held the last general meeting of said board, prior to the refusal of such license, in case of such refusal; and to the Circuit Court in and for the county in which the hearing was had upon which such license was revoked, in case of revocation. In any case, a person desiring to take such appeal shall serve, or cause to be served, upon the secretary of said board, a written notice of said appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond with good and sufficient surety, to be approved by said secretary, to the State of Oregon, conditioned for the speedy prosecution of such appeal and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall, within ten (10) days after the service of said notice of appeal and the filing and approval of said appeal bond, transmit to the clerk of the Circuit Court to which such appeal is taken, a certified copy under the seal of said board and the grounds thereof in the case of the refusal of license; and in addition thereto a certified copy, under such seal, of the complaint in the case of the revocation of a license, together with a bond and notice of appeal. The clerk of such court shall thereupon docket such appeal causes, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said cause shall be tried de novo. Either party may appeal from the judgment of said Circuit Court to the Supreme Court of the State in like manner as in civil actions, within sixty (60) days after the rendition and entry of such judgment in said Superior Court. If such judgment shall be in favor of the party appealing from decision of said board, and in case said Examining Board does not appeal from judgment within sixty (60) days, then and in that case said board shall, at the end of sixty (60) days, and immediately upon the expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this state, and in addition thereto shall reinstate

upon the records of said board the name of such successful applicant in case of the revocation of his license by such board. In case of such appeal to the Supreme Court by said board, no such license shall be issued or reinstatement be required until the final determination of said cause, as hereinafter provided. In case the final decision of the Supreme Court be against said Medical Examining Board, then and in that case said Court shall make such order in the premises as may be necessary, and said board shall act accordingly; provided, that in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against same.

Sec. 7. The person receiving said license shall file the same, or a copy thereof, with the county clerk in and for the county where he resides, and said county clerk shall file said certificate, or copy thereof, and enter a memorandum thereof, giving the date of said license and the name of the person to whom the same is issued, and the date of such filing; in a book to be provided and kept for that purpose; and said county clerk shall each year furnish to the secretary of said board a list of all certificates on file in his office, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said county clerk shall enter at the appropriate place in the record so kept by him a memorandum of said facts, so that the records kept by said county clerk shall correspond with the records of the board as kept by the secretary thereof. In case a person so licensed shall move into another county of this state, he or she shall procure from the county clerk a certified copy of said license and file the same with the county clerk in the county to which he or she shall remove. Said county clerk shall file and enter the same with like effect as if the same was the original license.

Sec. 8. Any person practicing medicine or surgery within this state after the first day of April, eighteen hundred and ninety-five, without first having obtained the license herein provided for, or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than fifty (\$50) dollars nor more than one hundred (\$100) dollars, or by imprisonment in the county jail not less than ten nor more than ninety days, or by both such fine and imprisonment. All such fines shall be paid into the state treasury for the use and benefit of the common schools. Any person shall be regarded as practicing within the meaning of this act who shall append the letters "M. D." or "M. B." to his or her name, or, for a fee, prescribe, direct or recommend for the use of any person, any drug or medicine or agency for the treatment, care or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, the act shall not apply to dentists in the practice of their dental profession. Justices of the peace and the respective municipal courts shall have jurisdiction of violations of the provisions of this act. It shall be the duty of the respective county or district attorneys to prosecute all violations of this act. In cases of appeals to the Circuit Court, as hereinbefore provided, it shall be the duty of the district attorney of the county wherein such appeal shall be tried to represent said board upon said appeal, and in all cases of appeal to the Supreme Court under the provisions of this act, the Attorney-General shall represent said board upon such appeal.

Sec. 9. All laws and parts of laws in conflict herewith are hereby repealed.

Sec. 10. Whereas great harm and much bodily suffering and pain may result from the insufficiency of our present medical and surgery laws, therefore an emergency is declared to exist, and this act shall take effect and be in force from and after its approval by the Governor.

PENNSYLVANIA.
CAPITAL, HARRISBURG.

Population of State, 5,258,014.
(Census of 1890.)

Males	2,666,331	Native	4,412,294
Females	2,591,683	Foreign	845,720
White	5,148,257	Chinese	1,178
Colored	107,596	Indians	983

Number of Physicians, 9,526.

The second State in the Union, as regards wealth and population, was one of the original 13, and extends from 39 degrees 43 minutes to 42 degrees 15 minutes north latitude, and from 74 degrees 40 minutes to 80 degrees 41 minutes west longitude. It comprises an area of 46,000 square miles, or 29,440,000 acres, and is bounded on the north by Lake Erie and the State of New York; on the south by Delaware, Maryland and West Virginia; on the east by New York and New Jersey, and on the west by Ohio and West Virginia. The climate varies with the elevation; the higher portions are cool in summer, and the winters in these regions are very severe, while the lower portions have very warm summers and mild winters. The mean annual temperature ranges from 44 degrees in the northern counties to 52 degrees in the southeast, and the rainfall varies in like manner from 38 inches to 45 inches, and even more in the southeast corner.

The following table shows increase in population during 70 years:

1820 ..	1,047,507	1860	2,906,215
1830 ...	1,348,233	1870	3,521,951
1840 ...	1,724,033	1880 ...	4,282,891
1850	2,311,786	1890 ...	5,258,014

Rate of mortality in Pennsylvania, as computed from the U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
5,258,014	73,530	13.98	71,147	2,383	13.82	21.71

The total number of deaths from consumption during 1890 was 7,689, which was at the rate of 1.46 per 1,000 of population, or 104.57 per 1,000 of total deaths. For list of Medical Colleges, see page 131.

THE MONEY SAVED

by judicious purchases of office requisites will amount to a large sum in the course of a professional career.

THE TIME AND ENERGY SAVED

by using SAJOURS'S ANNUAL AND ANALYTICAL CYCLOPÆDIA OF PRACTICAL MEDICINE

instead of wearily plodding through the old-time reference books and journal files, will also save a large amount of physical reserve and provide opportunity for healthful recreation.

The CYCLOPÆDIA gives you the SOLID FACT, and the REFERENCES are in one place. It is an up-to-date appliance like the telephone. Do you have it? If not, write to

MEDICAL LAWS OF PENNSYLVANIA.

AN ACT to establish a Medical Council and three State Boards of Medical Examiners, to define the powers and duties of said Medical Council and said State Boards of Medical Examiners, to provide for the examination and licensing of practitioners of medicine and surgery, to further regulate the practice of medicine and surgery, and to make an appropriation for the Medical Council.

Whereas, The safety of the public is endangered by incompetent physicians and surgeons, and due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be allowed to practice their profession;

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same: That there shall be established a medical council of Pennsylvania, consisting of the Lieutenant Governor, the Attorney General, the Secretary of Internal Affairs, the Superintendent of Public Instruction and the President of the State Board of Health and Vital Statistics, and the Presidents of the three State Boards of Medical Examiners provided for in this act.

Sec. 2. The said council shall be known by the name and style of the Medical Council of Pennsylvania, and may make and adopt all necessary rules and regulations and by-laws not inconsistent with the Constitution and laws of this Commonwealth, or of the United States, and shall have power to locate and maintain an office within this State

for the transaction of business; five members of the said council shall constitute a quorum for the transaction of business.

Sec. 3. The said council shall organize at Harrisburg within ten days from the date of the organization of three boards of medical examiners, and shall elect from its own number a president and secretary who shall also act as treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

Sec. 4. The members of the said council shall receive no salary, except the secretary and treasurer, who shall receive a salary of not over five hundred dollars, and who shall file with the president of the council a bond in the sum of one thousand dollars conditioned for the faithful performance of his duties. The necessary expenses of the said council shall be paid out of the appropriation made in section sixteen of this act, and any balance remaining from the appropriation after the disbursements herein specified shall be paid into the Treasury of the Commonwealth.

Sec. 5. The said medical council shall hold two stated meetings in each year at Harrisburg, and may hold special meetings at such times and places as it may deem proper. It shall supervise the examinations conducted by the three State Boards of Medical Examiners of all applicants for license to practice medicine and surgery in this Commonwealth, and shall issue licenses to practice medicine and surgery to such applicants as have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other States, as provided for in section thirteen of this act, or as have successfully passed the examination of one of the three State Boards of Medical Examiners, but all such examinations shall be made by the State Boards of Medical Examiners established in section six of this act. And the said Medical Council shall have no power, duty or functions except such powers, duties and functions as pertain to the supervision of the examinations of applicants for licenses to practice medicine and surgery and to the issuing of licenses to such applicants as have successfully passed the examination of one of the State Boards of Medical Examiners, or have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other States, as provided for in section thirteen of this act.

Sec. 6. It is further enacted that from and after the first day of March, Anno Domini one thousand, eight hundred and ninety-four, there shall be and continue to be three separate Boards of Medical Examiners for the State of Pennsylvania, one representing the Medical Society of the State of Pennsylvania, one representing the Homeopathic Medical Society of the State of Pennsylvania, one representing the Eclectic Medical Society of the State of Pennsylvania.

Each board shall consist of seven members, and each of said members shall serve for a term of three years from the first day of March next after his appointment, with the exception of those first appointed, who shall serve as follows: Two of each board for one year, two of each board for two years, and three of each board for three years, from the first day of March, Anno Domini one thousand, eight hundred and ninety-four.

The Governor shall appoint the members of said boards of examiners, respectively, from the full lists of the members of the said medical society, which list shall on or before the first day of January, one thousand, eight hundred and ninety-four, and annually thereafter, be transmitted to the Governor under the seal and signed by the secretary of the society so nominating. From these lists of nominees respectively the Governor shall, during the month of January, Anno Domini one thousand, eight hundred and ninety-four, appoint three separate Boards of Medical Examiners, each board to be composed exclusively of members of the same medical society. In case of failure of any or all of said medical societies to submit lists, as aforesaid, the Governor shall appoint members in good standing of the corresponding society or societies, entitled to nominate without other restrictions. Each one of the said appointees must be a registered physician in good standing and shall have practiced medicine or surgery under the laws of this State for a period of not less than ten years prior to such appointment.

The Governor shall fill vacancies by death or otherwise, for unexpired terms of said examiners from the respective lists submitted by the said medical societies, and may remove any member of any of said boards for continued neglect of the duties required by this act, or on recommendation of the medical society of which said members may be in affiliation for unprofessional or dishonorable conduct.

The Governor shall in his first appointments designate the number of years for which each appointee shall serve. The appointments of successors to those members whose term of office will expire on the first day of March of each year shall be made by the Governor during the month of January of such year, upon the same conditions and requirements as hereinbefore specified with reference to the appointment of three separate examining boards, each to be composed exclusively of members of the same medical school and society as hereinbefore provided.

Sec. 7. Said boards shall be known by the name and style of Boards of Medical Examiners of the State of Pennsylvania. Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the Secretary of the Commonwealth.

Each of said boards shall be authorized to take testimony concerning all matters within its jurisdiction, and the presiding officer for the time being of either of said boards, or of any of the committees thereof, may issue subpoenas and administer oaths to witnesses. Each of said boards of examiners shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the Constitution and laws of this State, or of the United States, whereby to perform the duties and transact the business required under the provisions of this act; said rules, regulations and by-laws to be subject to the approval of the Medical Council of Pennsylvania established by this act.

Sec. 8. From the fees provided by this act the respective boards may pay, not to exceed said income, all proper expenses incurred by its provisions, and if any surplus above said expenses shall remain at the end of any year it shall be apportioned among said examiners pro rata according to the number of candidates examined by each: Provided, that the Medical Council shall keep separate accounts of all fees received from physicians applying for licenses to practice medicine or surgery, and shall not devote any such fees to the use of the council, or to the uses of remuneration of any other examining board than that of the society with which the physician who pays the fee wishes to be affiliated.

Sec. 9. The first meeting of each of the examining boards respectively shall be held on the first Tuesday of April, one thousand, eight hundred and ninety-four, suitable notice in the usual form being given with the notice of their appointment by the Secretary of the Commonwealth to each of the members thereof, specifying the time and place of meeting.

At the first meeting of each of the boards respectively an organization shall be effected by the election, from their own membership, of a president and secretary. For the purpose of examining applicants for license each of said boards of medical examiners shall hold two or more stated or special meetings in each year, due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of the board shall constitute a quorum thereof, but the examination may be conducted by a committee of one or more members of the board of examiners duly authorized by said board.

Sec. 10. The several boards of medical examiners shall, not less than one week prior to each examination, submit to the Medical Council of Pennsylvania questions for thorough examinations in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica; from the lists of questions so submitted the council shall select the questions for each examination, and such questions for each examination shall be the same for all candidates, except that in the departments of therapeutics, practice of medicine and materia medica, the questions shall be in harmony with the teachings of the school selected by the candidate.

Sec. 11. Said examinations shall be conducted in writing in accordance with the rules and regulations prescribed by the Medical Council of Pennsylvania, and shall embrace the subjects named in section ten of this act. After each such examination the board having charge thereof shall, without unnecessary delay, act upon the same. An official report of such action, signed by the president, secretary and each acting member of said board of medical examiners, stating the examination, average of each candidate in each branch, the general average and the result of the examination, whether successful or unsuccessful, shall be transmitted to the Medical Council. Said report shall embrace all the examination papers, questions and answers thereto. All such examination papers shall be kept for reference and inspection for a period of not less than five years.

Sec. 12. On receiving from any of said boards of medical examiners such official report of the examination of any applicant for license, the Medical Council shall issue forthwith to each applicant who shall have been returned as having successfully passed said examination, and who shall have been adjudged by the Medical Council to be duly qualified for the practice of medicine, a license to practice medicine and surgery in the State of Pennsylvania. The Medical Council shall require the same standard of qualifications from all candidates, except in the departments of therapeutics, practice of medicine and materia medica, in which the standard shall be determined by each of the boards respectively. Every license to practice medicine and surgery issued pursuant to this act shall be subscribed by the officers of the Medical Council and by each medical examiner who reported the licentiate as having successfully passed said examinations. It shall also have affixed to it by the person authorized to affix the same the seal of this Commonwealth.

Before said license shall be issued it shall be recorded in a book to be kept in the office of the Medical Council, and the number of the book and page therein contained said recorded copy shall be noted upon the face of said license. Said records shall be open to public inspection, under proper restrictions as to their safe-keeping, and in all legal proceedings shall have the same weight as evidence that is given to the conveyance of land.

Sec. 13. From and after the first day of July, Anno Domini one thousand, eight hundred and ninety-four, any person not theretofore authorized to practice medicine and surgery in this State, and desiring to enter upon such practice, may deliver to the Secretary of the Medical Council, upon the payment of a fee of twenty-five dollars, a written application for license, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has received a diploma conferring the degree of medicine from some legally incorporated medical college of the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country; applicants who shall have received their degree in medicine after the first day of July, one thousand, eight hundred and ninety-four, must have pursued study of medicine for at least three years, including three regular courses of lectures, in different years, in some legally incorporated medical college, or colleges, prior to the granting of said diploma or foreign license, and after the first day of July, 1895, such applicants must have pursued the study of medicine for at least four years, including three regular courses of lectures in different years in some legally incorporated medical college or colleges prior to the granting of said diploma or foreign license. Such proof shall be made, if re-

quired, upon affidavit. Upon the making of said payment and proof the Medical Council, if satisfied with the same, shall issue to said applicant an order for examination before such one of the State Boards of Medical Examiners as the applicant for license may select. In case of failure at any such examination the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which application was first made, without the payment of an additional fee: And it is provided further, that applicants examined and licensed by State Boards of Medical Examiners or State Boards of Health of other States, on payment of a fee of fifteen dollars to the Medical Council, and on filing in the office of the Medical Council a copy of said license certified by the affidavit of the president or secretary of such board, showing also that the standard of acquirements adopted by said State Board of Medical Examiners or State Board of Health, is substantially the same as is provided by sections eleven, twelve and thirteen of this act, shall, without further examination, receive a license conferring on the holder thereof all the rights and privileges provided by sections fourteen and fifteen of this act.

Sec. 14. From and after the first day of March, Anno Domini one thousand, eight hundred and ninety-four, no person shall enter upon the practice of medicine or surgery in the State of Pennsylvania, unless he or she has complied with the provisions of this act, and shall have exhibited to the prothonotary of the court of common pleas of the county in which he or she desires to practice medicine or surgery, a license duly granted to him or her as hereinbefore provided; whereupon he or she shall be entitled, upon the payment of one dollar, to be duly registered in the office of the prothonotary of the court of common pleas in the said county, and any person violating any of the provisions of this act shall be guilty of a misdemeanor, and, upon conviction thereof in the court of quarter sessions of the county wherein the offense shall have been committed, shall pay a fine of not more than five hundred dollars for each offense.

Sec. 15. Nothing in this act shall be construed to interfere with or punish commissioned medical officers serving in the army or navy of the United States, or in the United States Marine Hospital service, while so commissioned, or medical examiners of relief departments of railroad companies while so employed, or any one while actually serving as a member of the resident medical staff of any legally incorporated hospital, or any legally qualified and registered dentist exclusively engaged in the practice of dentistry, or shall interfere with or prevent the dispensing and sales of medicines or medical appliances by apothecaries, pharmacists, or interfere with the manufacture of artificial eyes, limbs or orthopaedical instruments or trusses of any kind for fitting such instruments on persons in need thereof, or any lawfully qualified physicians and surgeons residing in other States or countries, meeting registered physicians of this State in consultation, or any physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein whose practice extends into the limits of this State. Provided, that such practitioner shall not open an office, or appoint a place to meet patients or receive calls, within the limits of Pennsylvania, or physicians duly registered in one county of this State called to attend cases in another county, but not residing or opening an office therein. And nothing in this act shall be construed to prohibit the practice of medicine and surgery within this Commonwealth by any practitioner who shall have been duly registered before the first day of March, Anno Domini one thousand eight hundred and ninety-four, according to the terms of the act entitled "An act to provide for the registration of all practitioners of medicine and surgery," approved the eighth day of June, Anno Domini one thousand, eight hundred and eighty-one, and one such registry shall be sufficient warrant to practice medicine and surgery in any county in this Commonwealth.

Sec. 16. The sum of two thousand dollars is hereby appropriated out of any moneys in the State Treasury not otherwise appropriated, for the salary of the secretary and treasurer of said Medical Council and the necessary expenses of said Council, one thousand dollars thereof for the year beginning January one, one thousand, eight hundred and ninety-four, and one thousand dollars thereof for the year beginning January one, one thousand, eight hundred and ninety-five.

Sec. 17. All acts or parts of acts of Assembly inconsistent herewith shall be and are hereby repealed.

Post Office Address:
"Innwood," West Conshohocken,
Montgomery Co., Penn.
35 minutes from Philadelphia.

LOCATION:

Innwood is located in Lower Merion Township, Montgomery County, on the Schuylkill Division of the Pennsylvania Railroad, and the Schuylkill Division and Main Line of the Philadelphia & Reading Railroad. Within twenty minutes' drive are Bryn Mawr, Haverford, Rosemont, and Villa Nova, the attractiveness of these beautiful suburbs being so generally known as to require no extended mention.

Innwood combines the advantages of a Sanitarium, a Hospital, and a home, without the unpleasant surroundings of a hospital. Its proximity to the great centre of medical science offers advantages that should receive the careful consideration of the friends or guardians of those suffering from nervous or mental disturbances. Its aim is to afford a quiet, secluded home for that class of patients who do not require the restraint of a hospital, but who do require medical supervision and rest. It is the only institution in the United States of its kind devoted exclusively to the care of women patients.

Only women are admitted for treatment, and these to a limited number. This enables the physician-in-charge to make close and careful study of each individual case, special personal care being the particular feature of the work. When desired, the best medical talent in the country can be called in consultation.

Innwood is conducted on a liberal scale, and the accommodations, table, and other appointments are such as are suited to the most fastidious patient. Trained nurses in constant attendance, skilled in the use of massage and the modern methods of treatment.

Reference may not only be made to the Statutory Visitors, 1225 Sansom Street, Philadelphia, but to the leading members of the medical profession.

Patients may place themselves under treatment voluntarily, or by physician's certificate.

Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 84, 85, 86.)

COPIES.....**

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 84, 85, 86.)

Cotoral

ANALGESIC · ANTIPYRETIC · ANODYNE

COT/OR/AL is a safe and efficient coal tar derivative; alkaline in reaction, free from opium or its alkaloids, and is marketed in 2½ and 5 grain tablets, as well as in powder. It is quite soluble in water, freely so in alcoholic solutions.

COT/OR/AL is endorsed by every physician using it as being superior to all antipyretics on the market, and is universally prescribed in the treatment of all forms of neuralgia, myalgia, sciatica, acute rheumatism, typhoid fever, asthma, etc.

COT/OR/AL *supports the heart* by reason of its stimulating properties.

COT/OR/AL is marketed in 2 ounce screw top bottles enclosed in cartons, at a uniform price of \$1.00.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 34, 35, 36.)

1 HUNDRED THOUSAND COPIES.....

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 84, 85, 86.)

SPECIAL OFFER.

As it is impossible to form an idea of the beauty and cheapness of "Saunders' Medical Hand-Atlas" without an opportunity to examine them, we make the following offer: Any one of the Atlases will be sent post-paid upon request. If you wish to retain the book remit the price: if not, return the book. (See pages 34, 35 and 36.)

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

SCIATICA.

Senator John W. Mix, Yalesville, Conn., writes: "Sciatica had utterly brought me to death's door. In less than 30 minutes after applying Oxydonor, circulation was re-established, and immediate relief and subsequent cure came." **DR. H. SANCHE & CO., 61 Fifth St., Detroit, Mich., New York, N. RHODE ISLAND,

CAPITAL, PROVIDENCE.

Population of State, 345,506.

(Census of 1890.)

Males	168,025	Native	239,201
Females	177,481	Foreign	106,306
White	337,859	Chinese	74
Colored	7,393	Indians	180

Number of physicians, 619.

The State of Rhode Island extends from 41 degrees 18 minutes to 42 degrees 5 minutes north latitude, and from 71 degrees 8 minutes to 71 degrees 53 minutes west longitude, and is bounded on the north and east by Massachusetts, on the south by the Atlantic Ocean, and on the west by Connecticut. It is the smallest State in the Union, comprising an area of 1,306 square miles, or 835,840 acres.

The climate, like that of all the New England States, is marked by great extremes, the winters being very cold and the summers correspondingly hot. The mean annual temperature at Providence is 47.91, and at Newport 49.39, and the average annual rainfall varies from 40 inches in the eastern part to 44 in the west.

The following table shows increase in population during 70 years:

1820..	83,015	1860.....	174,620
1830.....	97,190	1870.....	217,363
1840.....	108,830	1880.....	276,531
1850.....	147,545	1890.....	345,506

Rate of mortality in Rhode Island, as computed from the U. S. census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
345,506	7,559	21.88	7.335	224	21.71	29.29

The total number of deaths from consumption during 1890 was 921, which was at the rate of 2.67 per 1,000 of population, or 121.84 per 1,000 of total deaths.

MEDICAL LAW OF RHODE ISLAND.

(Passed May 16, 1895.)

AN ACT entitled "An act regulating the practice of medicine."

It is enacted by the General Assembly as follows:

Section 1. It shall be the duty of each town and city clerk to purchase a book of suitable size, to be known as the "Medical Register" of each city or town, and to set apart one full page for the registration of each physician; and when any physicians shall die or remove from the city or town, said clerk shall make a note of the same at the bottom of the page; and shall on the first day of January in each year, transmit to the office of the State Board of Health a duly certified list of the physicians of said city or town registered under this law, together with such other information as is hereinafter required, and perform such other duties as are required by this law; and such clerk shall receive the sum of fifty cents from each physician so registered, which shall be his full compensation for all the duties required under this law.

Sec. 2. It shall be unlawful for any person to practice medicine or surgery in any of its branches, within the limits of this State, who has not exhibited and registered in the city or town clerk's office of the city or town in which he or she resides, his or her authority for so practicing medicine as herein prescribed, together with his or her age, address, place of birth, and the school or system of medicine to which he or she proposes to belong, and the person so registering shall subscribe and verify by oath, before such clerk, an affidavit containing such facts, which if wilfully false, shall subject the affiant to conviction and punishment for perjury.

Sec. 3. Authority to practice medicine under this law shall be a certificate from the State Board of Health, and said board shall, upon application, issue a certificate to any reputable physician who is practicing, or who desires to begin the practice of medicine or surgery in this State, who possesses any of the following qualifications:

First. A diploma from a reputable and legally chartered medical college, endorsed as such by the State Board of Health.

Second. Satisfactory evidence from the person claiming the same that such person was reputably and honorably engaged in the practice of medicine or surgery in this State prior to January first, one thousand eight hundred and ninety-two. Any person not qualified as hereinbefore provided, before practicing medicine or surgery in this State shall present himself before said State Board of Health and submit himself to such examination as said board may require. Said board shall examine any person presenting himself, and if the examination is satisfactory shall issue its certificate as hereinbefore provided. Provided, any person so presenting himself shall pay to the board the sum of ten dollars for each examination, and said fee shall in no case be returned and shall be applied to pay the expenses of the Board of Health. Applicants may present their credentials by mail or by proxy, and the board shall issue its certificates to such applicants as are entitled thereto as though the applicant were present. All the certificates shall be signed by the president and secretary, and attested by seal of the board, and not more than two dollars shall be charged for any certificate.

Sec. 4. Nothing in this law shall be so construed as to authorize any itinerant doctor to register or to practice medicine in any part of this State.

Sec. 5. The State Board of Health may refuse to issue the certificate provided for in section three of this article to any individual guilty of grossly unprofessional conduct of a

character likely to deceive or defraud the public, and it may, after due notice and hearing, revoke such certificates for like cause. In all cases of refusal or revocation, the applicant may appeal to the appellate division of the Supreme Court, who may affirm or overrule the decision of the board, and its decision shall be final.

Sec. 6. Nothing in this law shall be so construed as to discriminate against any particular school or system of medicine, or to prohibit women from practicing midwifery, or to prohibit gratuitous services in case of emergency; nor shall this law apply to commissioned surgeons of the United States Army, Navy or Marine Hospital Service, or to legally qualified physicians of another State, called to see a particular case, but who do not open an office or appoint any place in this State where they may meet patients or receive calls.

Sec. 7. Complaints for violation of the provisions of this chapter shall be made by the secretary of the board, and said secretary shall be exempt from giving surety for costs on any complaint made as aforesaid.

Sec. 8. Any person living in this State, or any person coming into this State, who shall practice medicine or surgery, or attempt to practice medicine or surgery in any of its branches, or who shall perform or attempt to perform any surgical operation for or upon any person within the limits of this State for reward or compensation, in violation of the provisions of this law, shall, upon conviction thereof, be fined fifty dollars, and upon each and every subsequent conviction shall be fined one hundred dollars and imprisoned thirty days, or either or both, in the discretion of the court; and in no case where any provision of this law has been violated, shall the person so violating be entitled to receive compensation for services rendered. To open an office for such purpose, or to announce to the public in any other way a readiness to practice medicine or surgery in this State, shall be to engage in the practice of medicine within the meaning of this law.

Sec. 9. This act shall take effect sixty days after its passage.

CAPITAL, COLUMBIA.

Population of State, 1,151,149.
(Census of 1890.)

Males	572,337	Native	1,144,879
Females	578,812	Foreign	6,270
White	462,008	Chinese	34
Colored	688,934	Indians	173

Number of Physicians, 1,194.

South Carolina, one of the 13 original States, is bounded on the north by North Carolina, on the southwest by the Savannah river, which separates it from Georgia, and on the southeast by the Atlantic. It extends from 32 degrees to 35 degrees north latitude and from 78 degrees 35 minutes to 83 degrees 30 minutes west longitude, is triangular in shape and comprises an area of 34,000 square miles, or 21,760,000 acres.

The climate is warm, but is tempered in the east by the vicinity of the ocean, and in the west by the elevation. The mean annual temperature ranges from 60 degrees in the north to 67 degrees in the south, and the annual average rainfall is about 45 inches.

The following table shows increase in population during 70 years:

1820.....	502,741	1860.....	703,708
1830.....	581,185	1870.....	705,606
1840.....	594,398	1880.....	995,577
1850.....	668,507	1890.....	1,151,149

Rate of mortality in South Carolina, as computed from the U. S. census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,151,149	15,495	13.46	5.047	10.448	10.92	15.16

Total number of deaths from consumption during 1890 was 2,112, which was at the rate of 1.83 per 1,000 of population, or 136.30 per 1,000 of total deaths.

MEDICAL LAWS OF SOUTH CAROLINA.

AN ACT to Repeal an Act Entitled "An Act to Provide for the Appointment of County Boards of Physicians to Examine the Diplomas of Physicians and Surgeons in This State," approved December 24th, 1890, and to Establish in Lieu of Said Boards a State Examining Board, and to Define the Duties and Powers Thereof.

Section 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That on and after the passage of this Act there shall be established a State Board of Medical Examiners composed of seven reputable physicians or surgeons, one from each Congressional District, to be elected by the South Carolina Medical Association and thereupon commissioned by the Governor, whose term of office shall be for a period of two years and until their successors in office shall have been commissioned, and any vacancy in said Board of Examiners, by death, resignation or otherwise, shall be filled in the same manner. A majority of said Board shall constitute a quorum for the transaction of business: Provided, That the members thereof first appointed under this Act shall be divided into two classes, each class to consist of the first three and second four members. The first class shall hold office under said appointment for the period of one (1) year, the second class for two (2) years, from the date of their appointment.

Sec. 2. That said Board of Medical Examiners shall meet at Columbia, South Carolina, on the third Tuesday in May of each year, and at their first meeting organize by the election of a Chairman and a Secretary, who shall also be Treasurer; and said Board shall have power to call extra meetings when necessary. It shall be the duty of said Board when organized to examine all applicants for examination who hold diplomas from any medical colleges or schools, and to pass upon their qualifications and fitness to practice medicine in this State, and to give to each successful applicant a certificate to that effect upon the payment of five dollars to the Treasurer of said Board. Said Board shall keep a record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, time spent in the study of medicine, and the name and locations of all institutions granting such applicants' degrees or certificates of lectures in medicine or surgery. Said books and register shall be prima facie evidence of all the matters therein recorded.

Sec. 3. That such certificate of qualification shall entitle the holder or holders thereof, respectively, to be registered as a lawful practicing physician by the Clerk of Court of the County in which he, she or they may reside, upon payment to said Clerk of Court a fee of twenty-five cents for each registration.

Sec. 4. That it shall be unlawful for any person or persons to practice medicine in this State who has failed to comply with the provisions as above recited, and any one violating the provisions of this Act shall be deemed guilty of a misdemeanor, and for each offense, upon conviction by any Court of competent jurisdiction, shall be fined in any sum not exceeding three hundred dollars, or imprisonment in the County jail for any period not longer than three months, or both, at the discretion of the Court. One-half of said fine to go to the informant and the other half to the State: Provided, that dentists and midwives shall not be subject to the provisions of this Act.
